

St Catherine's Independent Nursery - Newsletter 2 – October 2023

Nursery Trustees – Lisa Maddock (nominated person), Helen Brockliss, Jo Ikin, Belinda Pearson, and Tracy Austin

Registered Charity Number: 1152421 Telephone: 01772 456304 Ofsted Number: EY488889

Email: info@stcatherinesnursery.co.uk

Website - www.stcatherinesnursery.co.uk

Dear Mums, Dads and Carers,

The government funding for two to five-year old children is a maximum of 30 hours per week (15 universal hours and 15 extended hours), for thirty-eight weeks of the year. This terms entitlement is for 14 weeks, and nursery is open for 16 weeks. Those children accessing the funded hours only will have a one-week holiday, commencing Monday 23rd October, and returning to nursery on Monday 30th October, and will finish for the Christmas holidays on Friday 15th December and return on Monday 8th January.

Please feel free to discuss any of these matters with Mrs Brockliss or Mrs Handyside.

All term dates are available to view on our parent app and can be added to your diary, please click 'Content' and then 'Events'.

<u>Nativity</u>

All the children will have a part, and all the children will have a costume and what happens on the day happens!

Tickets for the nativity will be on sale from w/c 30th October at a cost of \pounds 2.00 per ticket. Unfortunately, due to health and safety reasons we must limit the tickets to two tickets per family initially, if you require extra tickets, please ask a member of staff to add your name to the reserve list.

Nursery will be closed after the nativity has finished.

The funded hours your child would normally receive on a Wednesday after the nativity finishes, can be banked and used on an alternative day or added onto a session, subject to availability.

Christmas Party

We hold a "Sponsored Treasure Trail" to raise money for the children's Christmas Party, including organising the entertainer 'Taz entertainment', the party food, a special visit from Father Christmas, and the gifts that he brings! From w/c 30th October you should find a "Sponsored Treasure Trail Sheet" in your child's tray. Simply collect names on your sponsor sheet, then complete the "Treasure Trail" by either collecting the objects or drawing a picture and return it to the nursery where the children will receive a certificate of completion. Once you have the certificate you can collect the money and return it to the nursery. Who is going to be the first to collect all the items and receive their certificate?

Please return the "Treasure Trail" no later than Friday 10th November and collect all monies by Friday 17th November. Happy Hunting!

For those parents who don't manage to collect sponsor money a fee of $\pounds 8$ is required for your child to attend the Christmas party.

All children are welcome whether or not they attend on a Friday afternoon :)

Used Children's Magazines needed.

If you have any used children's magazines, please bring them to nursery and they will be placed in the book room for the children.

Baseline Meetings

Baseline meetings are held at the beginning of each term to enable new parents to talk one to one with their child's key person to discuss their child's learning and development and plan next steps. New parents will be contacted in due course to arrange an appropriate time for a discussion with their child's key person.

Nursery Policies and Procedures

Parents, please make yourself familiar with our new policies and procedures which you can view from our website and through our Parent app. In particular; our safeguarding, late collection and non-collection of a child, lost child policies and procedures, and Complaints and Compliments. If you do not have access to the internet, please request to view these policies at nursery or ask to be provided with copies. If you have any queries or would like to contribute your ideas regarding our policies and procedures, please feel free to speak to a member of staff.

The policy of the month is Safeguarding and Child Protection, please view via our Parent Connect app.

NSPCC – Talk PANTS

The NSPCC has designed its own hard-hitting education campaign, 'Talk PANTS' encouraging parents to talk to their children about the Underwear

Rule – a preventative conversation which could help keep children safe from sexual abuse.

Talking PANTS teaches children important messages, like their body belongs to them and they should tell an adult if they're upset or worried.

To get the conversation started get together and singalong with the Pantosaurus song! Go to our parent app – useful links – safeguarding and click NSPCC – Talk Pants. For tips and advice to help keep your child safe from sexual abuse you can sign up to the scheme.

<u>Online Safety</u>

It can be called E Safety (or e-safety), Online Safety or Internet Safety, but it all means the same thing. It's about risk; it's about being aware of the possible threats that online activity can bring, and how to deal with them.

These risks are grouped into four categories:

- 1. Conduct: children's behaviour may put them at risk
- 2. Content: access to inappropriate or unreliable content may put children at risk
- 3. Contact: interaction with unsuitable, unpleasant or dangerous people may put children at risk
- 4. Commercialism: children's use of platforms with hidden costs may put them at risk

Talking to Children about Online Safety

This can be a daunting prospect, but it is important. Your children need to know they can talk to you if something does go wrong.

Talking to them about their online activity in the same way you would do about anything else will help them to relax and, if anything is troubling them, they will be more likely to tell you about it.

We have guidance and resources on our parent app (Please click – Content – Useful Links' and Scroll down to 'Safeguarding and Child Protection') including 'Keeping Children Safe Online', 'Parenting in a Digital Age - It's good to talk', 'Digiduck – Online Safety Stories', #Goldilocks: A Fairy tale for the digital age'. There is also a link to a child friendly search engine 'Swiggle' providing safer access to online content.

You can also book online safety training, which is tailored directly to your needs, appropriate for a wide variety of audiences and covering a range of essential topics. Please go to our Parent app under 'Safeguarding and Child Protection' or 'Adult Learning' and click 'e-Safety facts and online safety training for parents'.

Fire Safety

Did you know that over 350 children under the age of 11 are injured and 7 are killed in accidental fires in the home in England every year.

Share these safety messages with your children so they know what to do in the event of a fire.

Tell them:

- If you see smoke or flames tell a grown-up straight away.
- Get out of the building as quickly as you can if there is a fire.
- Don't go back for anything, even toys or pets.
- Find a phone. (You might need to go to the neighbours to find one.)

• Call 999. Ask for the fire and rescue service and tell them your address. (You might want to practise making this call with children and will need to make sure they know their address.)

- Only call 999 in a real emergency.
- Get out as quickly as you can.
- If there's smoke, crawl along the floor (the air will be clearer down there).

• Before you open a door check if it's warm. If it is, don't open it – fire is on the other side.

For more Fire Safety advice and a printable Fire Escape Plan for children please go to our Parent App – Content - 'Safeguarding and Child Protection'.

We have more advice and tips in ensuring your child's safety in the home and when you're out and about on our app in the 'Safeguarding and Child Protection' section, including Road safety and accident prevention.

Personal, Social and Emotional Development (PSED)

We are concentrating on PSED this term, to help your child with their PSED at home there is a parent's guide available on our Parent App under Useful Documents, and activities are on Home Learning. In addition, the document entitled 'EYFS areas of Learning' covers all the areas of the EYFS and explains how you can help your child at home in all aspects of their learning and development.

Sound of the Week

w/c 2nd October – 'i' sound for example 'igloo', 'ink', 'iguana' not 'icicle', 'icecream' w/c 9th October – 'p' sound for example 'pea', 'panda', parsnip' not 'phone', w/c 16th October – 'n' sound for example 'nest',

Outdoor Clothing

Please can all parents ensure their child has the appropriate clothing for outdoor play, including a winter coat, woolie hat and gloves. Children will not be allowed to play outdoors without the correct clothing on the colder Autumn and Winter days.

Leyland Library Timetable

Tuesdays & Thursdays @ 2:30pm – Storytime

Friday @ 10am & 11am – Baby Bounce and Rhyme

To book please contact the library directly by calling in or telephoning.

Lancastergate, Leyland, Preston, Lancashire, PR25 2EX

Tel: 0300 123 6703

A link to Leyland Library is available on our Parent connect app, under useful links – literacy.

Children's Dental Health

A regular teeth-cleaning routine is essential for good dental health. Follow these tips and you can help keep your child's teeth decay-free.

1. BRUSHING TEETH

• Brush children's teeth twice a day with a small headed toothbrush with medium-textured bristles and a family fluoride toothpaste.

- Brush last thing at night, just before bedtime and only have water to drink afterwards.
- Brush one other time of day

• Children younger than 3 years old should only have a small smear of toothpaste on their brush.

• Children aged 3 years and older should use a pea sized amount of toothpaste on their brush.

• You should encourage your child to spit out the toothpaste and not to rinse afterwards.

2. DIET Any food or drinks, such as fizzy pop, fruit juice, diluted cordial etc, and those that contain sugar, should be kept to mealtimes only. Only plain, non-sweetened milk (not flavoured or milkshakes) or plain, still water are safe to drink in between meals and sugar-free foods, such as chopped pieces of fruit or vegetables are safe to snack on between meals. Following weaning, drinks should not be given in bottles. Open and/or free-flow lidded cups should be used instead.

3. DENTAL VISITS It is important to ensure your child visits the dentist at regular intervals. Dental visits are free for children up until the age of 18 years old. Their first dental visit should be before the age of 1 years old.

Please go to our Parent Connect app, 'Useful Links' – 'Children's Oral Health' For fun toothbrushing videos for children, and more advice and tips on keeping children's teeth healthy.

Kind regards Helen Brockliss

Nursery Manager
